### Tee IT Up for Techbridge: A Hole-in-One Success!

Tee IT Up for Techbridge on October 30 was more than a golf tournament; it was a powerful demonstration of community, collaboration, and unwavering commitment to leveraging technology for a greater cause. With over 70 teams and over 60 sponsors, this event showcased the extraordinary potential when individuals unite to tackle generational poverty. Co-chaired by Bimal Bivek, D'Lovely Gibson, and Markus Satterfield and in partnership with Atlanta's Society for Information Management (SIM) and GeorgiaCIO, Tee IT Up illuminated the profound impact of technology and teamwork on lives.

From the winning teams to the closest-to-pin winners, longest drive winners, fast flyer winners, and beat the pro winners, the day was filled with energizing camaraderie and shared success. The event wasn't just about golf; it was about coming together as a community to make a real difference for a good cause.

Thank you for being integral to our 17th annual Tee IT Up for  
TechBridge Golf Tournament!

We are deeply grateful to the Georgia CIO and SIM Atlanta team  
and thankful for the support of our volunteers and over 100 IT  
executive golfers. Tee IT Up would not be possible without  
supporters like you!

This event showcased the incredible power of community,  
collaboration, and commitment to advancing our mission of  
breaking the cycle of generational poverty.
